Key

P- Units that need placement evidence to pass

C- Core unit

ASSESSMENT

- Assessments that consider cognitive skills (what students know) along with affective and applied skills (respectively how they behave and what they can do).
- Unit-specific grading and Pearson-set assignments.
- A varied approach to assessment that supports progression to Level 6 and also allows centres to offer assessment relevant to the local economy, thereby accommodating and enhancing different learning styles.

WHAT WILL I EXPERIENCE?

- A simplified structure: students undertake a substantial core of learning in the Level 4 HNC Diploma and can build on this in the Level 5 HND Diploma, with specialist and optional units linked to their specialist area of study
- The 'Integrated Health and Social Care Pathway' at Level 4 and Level 5 is a general Healthcare pathway suitable for a wide range of roles within the Healthcare Sector.
- Refreshed content that is closely aligned with Professional Body, employer and higher education needs

CAREER DIRECTION

- Entering employment
- Continuing existing employment
- Completing a higher apprenticeship programme
- Linking with the appropriate Professional Body
- Committing to Continuing Professional Development (CPD)
- Progressing to university

ENTRY REQUIREMENTS

- Level 3 qualification or equivalent.
- GCSE Advanced level profile demonstrating strong performance in a relevant subject or an adequate performance in more than one GCSE subject.
- An Access to Higher Education Certificate awarded by an approved further education institution.
- Mature learners without formal qualifications are required to present a profile of achievement in the form of 2 years related work experience (paid or unpaid) and will be subject to relevant entry assessments.
- All applicants must pass an Academic Interview.
- Proficiency in English at a standard commensurate to IELTS 5.
