HND HEALTH & SOCIAL CARE MANAGEMENT

School of Health & Social Care

COURSE OVERVIEW

This 2 year Higher National Diploma (HND) trains students in the operations that keep UK health and social services running effectively. Students will learn through practical assignments including coursework, presentations and group projects. Successful completion of this course provides access onto the final year of most health and social care degrees*. This course consists of 16 units and ends with a research project to suit the students' specific careers and aspirations.

Year 1

- Communicating in Health & Social Care Organisations;
- Health and Safety in the Health & Social Care Workplace;
- Personal and Professional Development in Health & Social Care;
- Working in Partnership in Health & Social Care;
- Physiological Principles for Health & Social Care;

- Managing Human Resources in Health & Social Care;
- Principles of Health & Social Care Practice;
- Managing Financial Resources in Health & Social Care.

Year 2

- Understanding Specific Needs in Health & Social Care;
- Supporting Independent Living;
- Supporting Significant Life Events;
- The Role of Public Health in Health & Social Care;
- Facilitating Change in Health & Social Care;
- Managing Quality in Health & Social Care;
- Health Promotion;
- Research Project.

CAREER DIRECTION

You can seek a career in social care, including human resources, healthcare analysis and healthcare planning — or more managerial jobs within health and social care settings in the private, public and voluntary sectors.
